Assistant Athletic Director  
Texas High School Swim/Dive  
University Interscholastic League

Upon reviewing the information presented by the TISCA Board, concerning the use of video back-up for Appendix B, "suggested" protocol for automatic relay exchange equipment.

We are in favor of seeing the UIL implement this method of video back-up for our Texas State Meet, to insure protection for all relay swimmers from the possibility of touch pad or relay take-off platform malfunction on relay exchanges.
